Behaviour culture and our environment

How we behave in school and how we look after our school are both really important to you and us.

Show Respect to each other - the way we speak and treat others

Treat each other equally - how we would like to be treated ourselves

Treat others with kindness

Show care and consideration for others and our environment

Be supportive

Move around school calmly and carefully

Walk - don't run

Use indoor voices

Treat school and all those connected in school respectfully

This year lets work together to make sure that each and everyone of us has an amazing year at Dean Valley!
