

Meet the Media Team

We are the media team: *a group of dedicated Year sixes who take time out of our day to write and publish blogs explaining various activities that you can take part in at Dean valley school. We inform all parents, staff, and students about what happens at our school. We write about anything interesting that goes on or a special event around the school.*

Amelie

Hi, I'm Amelie a member of the new media team. My goal is to spread the word of cool new activities you and your kids can take part in. My life at home is hectic since I have four siblings and one dog called Lola but these distractions do not stop me completing my jobs, I hope you enjoy our blogs.

Dexter

Hi, my name is Dexter and I really like football and FIFA. I have always wanted to be part of a team and I'm glad that I got the job of Media Team and when I am older, I want to be a police officer. The Media team has been fun so far and I love it.

Fraser

Hi, my name is Fraser and I love videogames and Football. When I am older, I would like to be an engineer, architect or a doctor. I will be willing to help people if they are stuck with something on a computer. I would really like to be able to teach the younger ones what we do with the Media Team and how we do it. I have only been in the team for a few weeks -like everyone else- and already love it, I have done about five blogs about our everyday life in school.

Henry

Hello, I am Henry, and I am part of the Media Team. I enjoy posting blogs on it, and generally just being a part. Literacy is my favourite subject, so I enjoy reporting on what the school (mainly Year 6) has been up too. It's nice having a role within your class, and I'll enjoy moving forwards!
